It's just classic, it's timeless, and I like what the song is saying — it's a female being the strong person in a relationship." Aaliyah | Barry King/WireImage Aaliyah's death was after the album's release Sadly, the Princess of R&B and several film crew died in a tragic plane crash in the Bahamas on the way back from a music video shoot just one month after Aaliyah's release. "So we put it aside and waited, and it doesn't sound like it's five years old at all. The album was surrounded by controversy at the time and continues to be to this day, as it was written and produced entirely by R. surya2.5K 1 Indian Builders1K 1 Indian Builders1.2K 1 Indian Builders921 1 For years, Aaliyah was the beloved Princess of R&B with many iconic hits to her name. The new feature will allow multiple users to contribute photo uploads to the same album, with privacy settings that include public, friends of contributors and contributors only. "Hundreds of millions of photos are uploaded on to Facebook each day and today, we're making it even easier for friends to share photos with the rollout of Shared Photo Albums," Facebook told Pocket-lint. Hip-hop superproducer Timbaland produced and wrote many of the songs on the tracklist, while up-and-coming artist Missy Elliott co-wrote many of the songs. For example, a family cookout's photo album can be populated with photos from everyone who attended, rather than just the host. Aaliyah | Sal Idriss/Redferns Aaliyah's first 2 albums Aaliyah released her debut album Age Ain't Nothin' But a Number in 1994. 'Aaliyah' album cover | Spencer Platt/Getty Images RELATED: Timbaland Admitted He Married His Wife Because She Looked Like Aaliyah Aaliyah's favorite song from the 'Aaliyah' album The song written by Elliott — who at the time hadn't even released her own debut album — was the ballad "I Care 4 U." It was also a personal favorite of Aaliyah's when the album came out. The album contained songs such as "More Than a Woman," a hit single that was nominated for Best Female R&B Vocal Performance at the Grammy Awards. "I Care 4 U" was eventually released as a single to promote the singer's posthumous compilation album of the same name. One can certainly dream. Writing by Jake Smith. Unlike Aaliyah's One in a Million and Age Ain't Nothin' But a Number albums, Aaliyah only contained one song written by the singer's friend and collaborator, Missy Elliott. Facebook isn't the first to the shared photo albums party, and we're actually surprised it took this long. What would be really cool is if Facebook photos were integrated into the core of iOS 7. Her death in 2001 shook the music industry, especially given the timing as her star was continuing to rise. "Whether you're at a wedding, birthday party, or fresh off of a trip, all your friends will be able to add photos, tag photos and edit just one album."The album creator can share access with 50 contributors, for a total of 200 photos. 4.3K 1 #love album song #love feel # sad album songs #proud to be a thoothukudiyian #like- comment- share and subscribe to be a my YouTube channel proud to be a thoothukudiyian -4.3K 2 (Pocket-lint) - Facebook announced shared photo albums on Monday, a feature that has long been requested on the world's most popular social network. In a world of smartphone cameras, it wouldn't be too hard to reach 200 photos in an album either.Shared photo albums will begin rolling out to users in the US on Monday, with international markets to follow in the coming days. The song remained on the Billboard Hot 100 chart for 20 weeks and peaked at number 16. Aaliyah's self-titled album contained 'More Than a Woman' and other hits Aaliyah was the singer's third album and came five years after the release of her sophomore project One in a Million. Earlier this summer, Apple announced Photo Streams within iOS 7 have received shared photo streams, where you can post photos, videos and comments to your stream, and it all appears on everyone's iOS devices — automatically. "It's five years old — Timbaland] and Missy [Elliott] did that song right when I finished One in a Million, and we really wanted to put it on that album," she continued. She spoke about the song in the Aaliyah: Behind the Scenes DVD. Kelly, who secretly married 15-year-old Aaliyah three months after the album's release. Her last album ever released, remains a fan favorite and a way of remembering the late singer. By Britta O'Boyle · 6 February 2022 Like with her previous album, Timbaland produced a majority of the songs on the tracklist. We wonder if some of the Instagram team also contributed. How to downgrade iOS and keep your data By Pocket-lint Promotion · 24 September 2021 This handy guide could save you from any data loss. The song was written by prolific R&B songwriter Static Major and produced by Timbaland. We can see this coming in handy for plenty of events. Her follow-up album One in a Million was released two years later. Facebook told Mashable the feature was built during the company-wide hackathon sessions, spearheaded by employees Bob Baldwin and Fred Zhao. "My favorite song on the album, it's hard to pick because I love em' all, but If I had to pick one right now I'd say 'I Care 4 U' because that song is just gorgeous to me," she said. They said hackathons are often the place where new prototypes for the platform are dreamed up.
